### SPIRATO® M 185 FS

#### STANDARD PREMIX

#### DISEASE PROTECTION

This registered blend combines two fungicide chemistries to protect soybean, seed and pod vegetables, rice, and cotton crops. Achieve the performance of a custom blend without the hassles or worry of product availability.

### SPIRATO® MTm 285 FS

#### PREMIUM PREMIX

#### OPTIMIZED DISEASE PROTECTION

Protect soybeans with Spirato® MTm 285 FS. The registered blend of three proven fungicides delivers powerful protection against devastating diseases such as *Rhizoctonia* and *Fusarium* without the work and worries of a custom blend.

### SPIRATO® IMTm 348 FS

#### PREMIUM PREMIX

#### OPTIMIZED DISEASE PROTECTION + ENHANCED INSECT CONTROL

Harness the power of three fungicides plus an insecticide. Premixed and pre-colored, Spirato IMTm 348 FS combines the best of convenience and power – making it a top protection solution.

### HERE ARE THE DETAILS
